Licensed Social Workers and Licensed Clinical Social must complete at least three hours of continuing education on ethics content each license renewal period as part of their 30 hours of continuing education. This workshop is a final opportunity this licensing period to address this requirement. In this workshop you will:

- Use the Social Work Code of Ethics as a guideline, you will review common ethical principles that regularly impact everyday practice
- Learn ethical decision-making frameworks and tools that you can apply in your practice
- Work on cases to help strengthen your understanding of issues, guidelines and tools for effective and ethical social work practice.

Join us for this timely and important continuing education program.
